Milwaukee Tool Acquires the Empire Level Business

06/02/2014

MILWAUKEE, WI – Today, Milwaukee Tool announced the acquisition of the Empire Level business based in Mukwonago, Wisconsin.

Steeped in history dating back to 1919, Empire Level is a fully integrated solutions provider in the Layout and Measurement product categories. Empire is the leading US manufacturer of levels, squares, layout tools, and safety and utility tape.

“From the invention of the Monovial, to the introduction of the first Torpedo Level, Empire has a strong history of innovation. We share a passion for delivering best-in-class solutions for our users,” says Steve Richman, President of Milwaukee Tool. “We are extremely proud to expand our portfolio with Empire Level, and we are committed to driving disruptive innovation and accelerated growth within the business.”

About Milwaukee Tool

Since the company began in 1924, Milwaukee Tool has led the industry in both durability and performance by providing the best in professional, heavy-duty tools and accessories. With an unwavering commitment to the trades, Milwaukee continues to lead with a focus on providing innovative, trade-specific solutions. Whether it is through their leadership in LITHIUM-ION technology, as seen in the M12™, M18™ & M28™

add one

Systems, time-saving accessories or innovative hand tool products, Milwaukee is dedicated to delivering a steady stream of advanced solutions for the trades that offer increased productivity and unmatched durability. Milwaukee Tool is a Brookfield, Wisconsin-based subsidiary of Techtronic Industries Co. Ltd. (TTI) (HKEx stock code: 669, ADR symbol: TTNDY).
